# The McCormick Championship Pro-Am

## WELCOME

Welcome to the Constellation SENIOR PLAYERS Championship! We look forward to hosting you on Wednesday, July 12 for the McCormick Championship Pro-Am. Please review this document as it contains important information regarding registration for the day and events leading up to the McCormick Championship Pro-Am.

### PRO-AM FORMAT

The Pro-Am scoring format will be the net best ball of the team (four amateurs and one professional) utilizing handicaps for amateurs with a maximum handicap of 27 for each contestant. Please note, PAR IS YOUR PARTNER. Meaning, the maximum net score for each hole will be par. If you are unable to help your team on any given hole, please pick up your ball in order to keep play moving. The professional will keep the team score.

### PRO-AM REGISTRATION

You will be provided a code to register for the McCormick Championship Pro-Am. Please follow the link below and enter the code your company or sponsor provides you with for the registration process:

<https://events.r2it.com/sponsor/cespc/2017/>

- Registration Deadline: The online registration form must be completed by Thursday, June 27.

### HANDICAP INFORMATION

Each contestant is asked for handicap or index information on the Pro-Am entry form. Because the Constellation SENIOR PLAYERS Championship is a PGA TOUR Champions sanctioned event, championship staff must verify the given handicap/index. This will be accomplished one of the following ways:

- Checking the GHIN number or a website index calculator
- Confirming a handicap with the golf club designated on the entry form
- Confirming with the golf professional who signs the form
- Providing the championship staff with copies of scorecards from the last six (6) rounds played

We must be able to verify a handicap by the stated procedures in order for you to compete with a full handicap. If you need any clarification of the handicap verification process, please contact Charma Harris at the Championship Office at (410) 648-4618.

### PRO-AM PAIRINGS PARTY

The Pairings Party for the McCormick Championship Pro-Am will be held at the Legg Mason Tower in Harbor East, Baltimore from 6:00 – 9:00 pm on Tuesday, July 11. The Pro-Am Pairings Party invitation allows you and a guest to attend. Dress for the party is resort casual. Heavy hors d'oeuvres and a full open bar will be provided.

At the Pairings Party, you will be notified of your Wednesday tee time and will be paired with a professional. Since this is a live pairing, we are unable to provide tee times before this date. If you do not attend the Pairings Party, the pairings will be emailed to all participants after the party.

- Pairings Party Location:  
Legg Mason Tower  
100 International Drive  
Baltimore, MD 21202
- Parking: Guests will receive complimentary Valet Parking.
